**3) Dorothy Carson's Estate:** ProLife has been blessed in 2017 in receiving \$3,000.00 from Dorothy Carston's Estate. Dorothy was always faithfully and courageously educating the public about grave concerns regarding the 'Sanctity of Life'. We feel it is of great importance that we continue in the same manner presenting information that is well documented for the very youngest to the oldest. We are very thankful for Dorothy's caring and generous heart.

### **News from Our Nation:**

1. **Trudeau's Pledge of \$105 Million to Help Canadian Youth volunteer: ProLife Volunteers need not apply!!** This is another blatant action by the Liberal Government to impose their policies on Canadians. Is this a Democratic Government; or a Dictatorship? They say they are trying to protect the **rights of women** and minority groups, however, they do not seem to realize that **women have the right to receive help and support so they can choose life for their unborn babies!**

Abortion Groups are pressuring the government to deny all Pro Life charities the right to any and all government funding. The Executive Director of Abortion Rights Coalition of Canada (ARCC), Joyce Arthur stated: "No anti-abortion agency should be registered as a charity."

While the culture of death claims 'Abortion' is a "human right' there is absolutely no mention of the 'right to kill preborn babies' in the Canadian Charter of Rights and Freedoms, whereas there is mention of the right to Life!!

There is no law in Canada to protect babies from abortion up to and including all nine months in the womb; but, neither is there a law against helping and supporting mothers so they do not feel a need to kill the baby in their womb!! However, the Liberal Government seems to see this as a crime!! **Action: Please write Justin Trudeau, House of Commons, Ottawa, On K1A 0A6 (NO POSTAGE REQUIRED) or email him at [justin.trudeau@parl.gc.ca](mailto:justin.trudeau@parl.gc.ca) Also, Please consider praying and fasting one day a week for his conversion and for the conversion of all Abortion Advocates!!**
